

Class XI		
Physics	Chemistry	Maths
Mechanics	Physical Chemistry	Algebra-1
Centre of Mass	Atomic Structure	Binomial Theorem
Circular Motion	Chemical Equilibrium	Complex Number
Fluids Mechanics, Elasticity, Viscosity and Surface Tension	Gaseous State	Permutation And Combination
Friction	Ionic Equilibrium	Quadratic Equation
Gravitation	Stoichiometry	Sequence And Series
Mathematical	Thermodynamics	Mathematical Reasoning
Newton's Laws of Motion	Inorganic Chemistry	Set and Relation
Projectile Motion	Carbon And Boron Family	
Rectilinear Motion	Chemical Bonding	Trigonometry
Rigid Body Dynamics	Periodic Table + s-Block	Inverse Trigonometric Functions
Relative Motion	s-Block elements	Trigonometric ratio And Identities
unit and Dimension	Organic Chemistry	Triangle and Height Distance
Work Power and Energy	General Organic Chemistry-1 (GOC I)	Co-ordinate Geometry
Heat and Thermodynamics	General Organic Chemistry-2 (GOC II)	Circle
Heat and Thermodynamics		Ellipse
Simple Harmonic Motion and Waves		Hyperbola
Simple Harmonic Motion		Parabola
Sound waves		Straight Line
Wave on string		Statistics
Semiconductors, Electromagnetic Waves and Communication System		
Semiconductors		
Class XII		
Physics	Chemistry	Maths
Electrodynamics	Physical Chemistry	Algebra-2
Alternating Current	Chemical Kinetics	3-D(Three Dimensional Geometry
Current Electricity	Electro Chemistry	Matrices and Determinant
Electro Magnetic Induction (EMI)	Solutions and Colligative Properties	Probability
Electrostatics	Solid State	Vector and Three Dimesional geomtry
Capacitance	Surface Chemistry	Differential Calculus
Magnetic Effect of Current, Magnetic Force on Charge and Current (EMF)	Inorganic Chemistry	Application of Derivative
Modern Physics	Coordination Compounds	Continuity and Derivability
Measurrement Error and Experiment	D-& F-block Elements	Function
Optics	Metallurgy	Limits Of Function
Geometrical Optics	p-Block elements (N, O & Family, compounds of Nobel Gases)	Method of Differentiation
Wave Optics	Qualitative Analysis	Integral Calculus
Semiconductors, Electromagnetic Waves and Communication System	Organic Chemistry	Area Under Curves
Waves and Coomunication	Alkyl halide, Alcohol Phenol, Ether	Definite Integation
	Biomolecule	Differential Equation
	Hydrocarbon	Indefinite Integration
	Nitrogen Containing Compound
